### INFORMATION REGARDING GROUP ALLOCATIONS

Please remember to check the group allocation list for the upcoming term. This list is normally emailed to members in the third last week of each term.

In most instances swimmers will remain in the same group for a couple of terms. When swimmers are ready to progress to the next level, Tateswim will generally allocate the swimmer to a group that takes place on the same day and time as their current group. In some cases swimmers will be allocated to a different time on the same day.

When swimmers have reached the upper levels of the swim school, Tateswim will allocate swimmers to the 'Junior 2' or 'Junior 3' Squads in the Tateswim Squad Training program. Swimmers in these squads are expected to train 2 sessions per week, however, swimmers have the option of choosing whether they train 1 or 2 times per week in the first 3 months of training in the squad program. If your child has been allocated to the squads, please notify Tateswim if your child will only be attending one session per week in the first three months so Tateswim can make adjustments to the fees.
