\* Swimmers participate in a dry-land warm up for 15-20 minutes before training in pool

#### SWIMMERS TO BRING THEIR OWN FLIPPERS

All swimmers in the swim school are reminded to make sure you bring your flippers to each class.

If you need to purchase flippers, we recommend buying them online from [www.swimwearalore.com.au](http://www.swimwearalore.com.au).

#### QUARTERLY SWIM SCHOOL NEWS UPDATES

Tateswim's quarterly news updates are available online as per the following schedule:

- Term 1:** Early December
- Term 2:** Early March
- Term 3:** Early June
- Term 4:** Early September

#### GROUP ALLOCATIONS

Please remember to check your child's group allocation list for the upcoming term. This list is normally emailed to members in the third last week of each term.

In most instances when a swimmer has been allocated to another level, the new class will take place at the same time and day as the previous level.

If, however, a swimmer has been allocated to the squad training program, the time and/or day may be different. Swimmers in the squad program are required to attend two sessions per week.

#### CHANGES TO ENROLMENT

If you wish to change your child's enrolment (e.g. change day of class or hold for a term), please complete a "Swim School Enrolment Changes" Form. The form is available at the Tateswim website (under administration).

#### DOES TATESWIM HAVE YOUR CURRENT EMAIL ADDRESS AND CONTACT DETAILS?

Please advise Tateswim of any changes to your contact details, especially email.

#### BANK DETAILS CHANGED?

If you wish to change the account from which your squad fees are debited, or your credit card has a new expiry date, please contact Tateswim as soon as possible.

*Note: If you pay by credit card, the name "Ezidebit" appears on your statement.*

#### PARKING AT MT SCOPUS

Please avoid entering Mount Scopus College when school buses are exiting between 4.10-4.20pm each afternoon.

## ENJOY YOUR SWIMMING!
