

APPLICATION TO REDUCE TRAINING

Updated May 2021

At Tateswim we understand that from time to time life can get quite busy and it can be difficult to meet our minimum requirement of attending two or more classes per week.

For this reason, we allow swimmers in selected squads* to **temporarily** attend only one class per week for **up to three months per year**.

The monthly fee for one class per week is \$120.

Please keep in mind that Tateswim is an advanced squad program, not a learn to swim program, so our system is based on swimmers improving due to regular attendance and practice. For this reason, we do not accommodate squad swimmers attending one class per week on a regular basis.

To apply, please complete this form and return to info@tateswim.com.au (at least **7 days notice** is required).
